Making IT Work For You

Annexure 1: Confidentiality and Non-Solicitation Agreement

In consideration of my employment by Netzary Infodynamics (the "Company"), and in consideration of the wages and/or commissions and benefits paid to me by the Company in connection with my employment, as a condition of my employment, wages and/or commissions, and benefits, including stock options, I covenant and agree with the company as follows:

1. Confidential Company Information

I agree that, for the purpose if this Agreement the phrase "Confidential Company Information" shall mean information possessed by the Company and its business activities not generally known, which is used or is useful in the conduct of the Company's business or which confers or tends to confer a competitive advantage over one who does not possess the information or know of the activities. Confidential Company Information includes but is not limited to the lists of the Company's existing and prospective customers, the type of equipment or it's configuration used by the Company and the marketing and business plans of the Company, each and all as may exist from time to time. Confidential Company Information also includes information received by the Company from others which the Company has an obligation to treat as confidential. All other information which becomes known to me as a result of my employment, which the Company takes measures to protect, shall also be regarded as Confidential Company Information.

2. Inventions

I agree that, for the purpose of this Agreement, the word "Inventions" shall mean any original works of authorship or techniques, whether or not patentable, copyrightable or protectable as a trade secret or as any other form of intellectual property right that are created or developed by me or another employees or contractor of the company resulting from or related to employment assignments or pertaining to any actual or anticipated company work or research.

3. Non-Disclosure

I recognize and acknowledge that confidential Company Information an Inventions comprise valuable, special and unique assets of the Company's business. I will never, except as authorized by the Company in the performance of my duties, directly or indirectly, use or disclose any trade secret. During my employment by the Company and thereafter, I will not, except as authorized by the Company in the performance of my duties, directly or indirectly use or disclose to any person or entity any Inventions or any Confidential Company Information that I have or may acquire during my employment by the Company (whether or not developed or compiled by me and whether or not I have been authorized to have access to such Inventions and Confidential Company Information). I will never take plans or specifications of Inventions or Confidential Company Information, including equipment, software, types of configurations, list of the Company's customers, marketing and business plans or any part thereof to any person or entity for any reason or purpose whatsoever. Upon termination of my employ with the Company all records regarding any Confidential Company Information or Inventions will be left with the Company.

NETZARY INFODYNAMICS Bangalore

4. Assignment of Inventions

I agree, during my employment, promptly to disclose to the Company any Inventions which I conceive or reduce to practice. Except as may be specifically excused in advance writing by a

Company officer, I do hereby assign to the Company my entire right and title in all Inventions and the related goodwill without further compensation or award. I recognize that the Company will have the right to use and/or apply for and protect patents, copyrights, trademarks and other common law and statutory protections for Inventions. I agree, both during and after my employment, to execute and deliver all documents the company deems necessary to facilitate such protections.

5. Non-Solicitation

During my employment and for a period of six months from and after the lawful termination of my employment, I will not, either directly or indirectly, separately or acting with or on behalf of others:

(i) employ, solicit, persuade or entice any Company managerial or technical employee to discontinue employment with the Company, to work for a competing enterprise;

(ii) Solicit the business of any Company customer, or any person or enterprise with which the Company has conducted business, supplied materials or performed services or whose business the Company has solicited during the 90 days prior to my termination, for the benefit of an enterprise competing with the Company and with which I or someone reporting to me was materially involved on behalf of the Company; or

(iii) do business with or deal with any customer or person or entity for which the Company has done or solicited business during the ninety days prior to my termination for the benefit of any enterprise competing with the Company and with which I or someone reporting to me was materially involved on behalf of the Company.

6. Enforcement

In the event of a breach or threatened breach by me of the provisions of the Agreement, I agree that the Company shall be entitled to an injunction restraining me from disclosing, in whole or in part, Confidential Company Information or Inventions (including, without limitation, trade secrets), and/or from rendering any services to any person or entity to whom such information, in whole or in part, has been threatened to be disclosed. I acknowledge and agree that the invalidity or unenforceability or any particular provision of this Agreement shall not affect the other provisions for the Agreement, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision were omitted or modified, as applicable. Nothing herein shall be construed to replace or affect other legal rights or the Company or as prohibiting the Company from pursuing any other available remedy for such breach or threatened breach, including the recovery of damages from me. I agree that should the company prevail in such action; the Company will be entitled to recover from me its reasonable attorneys' fees and costs. If a court should refuse to enforce any covenant because of geographic area or scope extensiveness, I agree the court may revise the covenant to the extent necessary for enforcement. This Agreement shall not supersede or be in lieu of any other duty or agreement restricting activities reference herein or addressing rights or remedies of the Company but shall be in addition to any such other duties or agreements.

7. **Employment**

I understand that this Agreement does not obligate the Company to employ me for any stated period of time. While employed, I agree not to be employed by, be a paid consultant to, or have any ownership interest exceeding one percent in, any business enterprise which is in direct competition with any of the Company's businesses.

8. **Applicable Law**

I agree that this Agreement shall be interpreted, construed and enforced in accordance with the internal laws of the country defined in my contract of employment.

9. **Acknowledgement**

I hereby acknowledge and represent that I have fully read and understand this Agreement and that I consider all of the terms of my covenants and agreements set forth in this Agreement to be fair and reasonable and to be necessary to protect the Company's ongoing interests.

Annexure 2: Employee Data Privacy

Data protection laws in force in countries worldwide place various restrictions on the processing and movement of personal data, including employment-related data. Netzary Infodynamics, or one of its subsidiaries, other affiliates, successors or assigns (the "Company") continues to align its activities with this complex legislation and we now seek your agreement to the processing and transfer of your data in order to execute the standard process of the Company.

The Company may use your personal data in the following ways:

1. The Company maintains various personal information about each employee as well as some independent contractors ("Employee Data"), including home address, marital status, educational background, history with the Company, areas of expertise, salary, bonuses and other benefits. A list of the types of such information is attached for your reference.

2. Employee Data is used in furtherance of the employment or contractor relationship, to administer benefits, process the Company's payroll, to withhold taxes and administer other obligatory withholdings, and to comply with various reporting or disclosure obligations under applicable laws and regulations.

3. The Company stores Employee Data in controlled-access, centralized databases in Bangalore, India and in paper and electronic files located locally. The electronic databases are controlled by specially authorized administrative human resources staff only and can be accessed only by those authorized users.

4. Employee Data will from time to time be transferred between companies, i.e., entities that are directly or indirectly controlled by the Company, who will need to make some Employee Data available to auditors, outside professional advisors, and contractors (e.g., payroll processing contractors) under a duty of confidentiality ("Authorized Third Parties") to achieve the objectives described above. Although in each case most of the recipients of Employee Data will be located locally within Bangalore in which the data is collected, others may be located within India. Nevertheless, the Company will, at all times, endeavor to protect Employee Data, regardless of whether it is used locally or transferred with in India to Authorized Third Parties. The Company will do this by putting in place contractual limitations on Authorized Third Parties' rights to use the Employee Data disclosed to them and by use of commercially reasonable security measures.

In addition to information about yourself, you may also have to provide the Company with information about your dependents, relatives and friends ("Dependents") for health and other insurance policies in connection with emergency contact details. By signing this form, you confirm that those persons are aware that you have provided their data to the Company and furthermore that they consent to the Company storing and using their data for the purposes for which you provided it.
